notice of 2019 AGM

FRIDAY, MARCH 15, 2019 @ 5:30pm
VANCOUVER ISLAND CONFERENCE CENTRE
101 GORDON STREET, NANAIMO, BC V9R 5J8

All WCOWMA-BC members in good standing are invited to attend the Annual General Meeting being held during the Convention and Trade Show on March 15 in Nanaimo, BC.

NOMINATIONS ARE BEING ACCEPTED FOR THE FOLLOWING POSITION(S):

President
Director

NOMINATIONS PROCESS:

Nominations may be submitted in advance of the AGM or from the floor during the election portion of the meeting. According to Bylaw Section 6.g, all nominees must be Corporate Members in good standing. A member whose membership fees are due and unpaid or otherwise owes money to the Association is not in good standing.

TERM OF OFFICE:

Those elected to the Board of Directors at the 2019 AGM will hold those positions for two years; term of office to complete in 2021.

REQUIREMENTS OF A BOARD MEMBER: Generally, the Board operates as a governance entity, meaning that it sets high level strategic direction as opposed to having a direct hand in the day-to-day activities of the operation. Directors may also be asked to sit on various committees to provide more direct guidance regarding key association strategic objectives. Board Members are not paid, however, reasonable expenses are reimbursed for travel and meals when attending Board meetings or other sanctioned association business. The Board of Directors meets every six weeks via Skype or conference call, as well as a minimum of twice annually face-to-face.

welcome

WE INVITE YOU TO JOIN US FOR OUR 9TH ANNUAL
CONVENTION AND TRADE SHOW AT THE VANCOUVER
ISLAND CONFERENCE CENTRE IN NANAIMO, BC

WCOWMA-BC is pleased to present the 9th annual Convention and Trade Show. This event begins on Thursday, March 14th with a full day of practical sessions on system design, installation, maintenance, and troubleshooting. On Friday, March 15th, the event continues with the trade show and its attendant technical sessions throughout the day.

This year's theme focusses on building relationships: with the industry, the regulatory body and the general public. Positive communication and relationships within the industry and with those connected to it are paramount not only to our individual success but to successful protection of public health and the environment through the design, installation and maintenance of onsite wastewater systems.

During the late afternoon on Friday, after the trade show closes, all members are encouraged to attend the Annual General Meeting, following which, there will be a banquet with entertainment for all to enjoy. Saturday, March 16th, boasts a full schedule of education and research presentations.

NETWORKING: ONE OF THE BIGGEST VALUES GARNERED FROM A CONVENTION AND TRADE SHOW IS THE OPPORTUNITY TO NETWORK WITH THE PEOPLE IN YOUR INDUSTRY.

- Take advantage of the opportunity to discuss industry issues, challenges and solutions.
- Visit the trade show and see the latest products and services available to the onsite wastewater industry.
- Participate in the technical and educational sessions.

Damien James is formally trained in Ventriloquism, Magic, and Special Effects Makeup, and has performed throughout Canada. He is an International Champion Ventriloquist who has been performing professionally for more than 20 years.

Damien has been performing professionally for 20 years (since the age of 12). His interest in magic started when he was six after his mother bought him a simple Magic Book. Later that same year, Damien received a Tommy Talker (pull-string dummy) from the Sears Christmas catalogue... a present his parents (we mean Santa Claus) regret to this day! Damien is a graduate of The Maher School of Ventriloquism and was the youngest person ever to win the coveted 'Ventriloquist of the Year' Award at The Magic Capitol of the World Convention.

Damien creates all of his new characters in his spare time and also works as a special effects artist for film and TV. He is a current student of Academy Award-Winning Special Effects guru, Dick Smith and his behind the scenes work can be seen on many TV shows as well as several features on the big screen. Damien James is the only ventriloquist to fool Penn & Teller!

There are lots of exciting and interesting activities and presentations taking place at the annual Convention and Trade Show in Nanaimo this year!

On **Thursday, March 14, 2019**, take part in the education and research presentations in the morning, followed by practical workshops in the afternoon. Thursday night, join your fellow stakeholders in the onsite wastewater industry at the meet and greet. Take time for a drink and a snack and network, network, network!

Friday, March 15, 2019 is Trade Show day. This event wouldn't happen without generous support from our supplier and manufacturer community so please support them by visiting their booths and attending the technical sessions they provide at the show. There is a lot to see and learn at the trade show!

Attend the Annual General Meeting after the trade show ends and then join in for the Social Night and entertainment!

Saturday, March 16, 2019 provides another opportunity for learning and networking. Participate in the educational, research and business sessions provided by our presenters.

Attend all or part of this annual event and gather required continuing education credits along the way. We look forward to seeing you in Nanaimo!
