How to Register

Register online or mail us a completed registration form. Visit the Training Course Registration page at bcwwa.org for more details. Registration closes Monday, September 22, 2014.

Questions?

Please contact Brian Kut, Operator Training Coordinator at 604-630-0094 or bkut@bcwwa.org.

Obtain CEUs and receive certifications

If you are interested in writing your certification exam following the course, please contact the Environmental Operators Certification Program (EOCP) at eocp@eocp.org or 1-866-552-3627.

Please note: you must submit an EOCP application form to determine your eligibility to take the certification exam.

The deadline for EOCP application forms is September 19th, 2014. Please submit your application forms before the deadline to ensure your eligibility.
